Napolitano (by Forman) v. Novartis Pharmaceuticals Corporation,
3:08-CV-00069
White v. Novartis Pharmaceuticals Corporation, 3:06-CV-00550

Dear Neil:

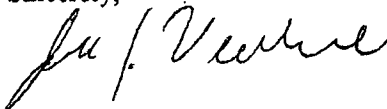

Enclosed are all of the bills from Dr Talib Najjar. They have all been paid. I have produced to you the only writings of the doctor that he had in his office. As far as I know all the articles he relied upon are attached to his report as well as what he had available to review so I have not resent these. Finally, Dr. Najjar has told me he will bring the notes on his examination of Mrs. Fussman and Mrs. Deutsch to his first deposition. As I told you I do not have copies and have been unable to get copies from Dr. Najjar to this point.

You told me you may have to take some time to review whatever he brings that has not been produced or identified before. I have no objection to your taking a reasonable time to do so.

Finally, as to the location of the depositions, these are to take three days. Dr. Najjar has to do rounds in the morning and be on site in case of emergencies so the deposition has to be in the seminar room reserved at B-839 in the B-level at New Jersey Dental School at 110 Bergen Street, Newark, NJ 07103. I will have to insist on this or call the Court on Monday if we have a dispute.

Thank you for your attention.

Sincerely,

John J. Vecchione, Esq.
